- ❖ After you get your wristband, check in with your camp host to get your tent tag. In the Village this happens at the Info Booth (Peace & Justice side). Phil, the camping co-coordinator will help you find a camping spot. He'll point out the fire lanes, fire exits and water barrels for fire suppression. Remember we are all on fire crew. No fires permitted.
- ❖ Introduce yourself to your neighbors.
- ❖ There is no digging including ground leveling. There is no brush cutting. You may gently tie back brush.
- ❖ Sweep happens at closing. Check your tent. You must participate in 2 sweeps. Everyone sweeps on Saturday.
- ❖ Recycle daily – Pack it in/Pack it Out
- ❖ If you are staying overnight Sunday night to work Monday morning, all tents must be down by 10AM Monday.
